

# **History Day**

## **ACS has participated for five years!**

- YEAR 1:** Three ACS students won the state competition in the group performance category and went to the national competition in Washington D.C
- YEAR 2:** Six ACS students won at the state competition in the group performance, group exhibit, and individual exhibit categories. They went to the national competition in Washington D.C
- YEAR 3:** 14 ACS students were selected to go on to Washington D.C. and the national contest!  
1 of our young men in the individual performance category was selected to go on to the final round of competition. He ultimately placed 10th in the nation and was chosen as the top middle school project in any category in the state of New Mexico!
- YEAR 4:** Six ACS students were selected to go on to Washington D.C. and the national contest!  
1 of our young men in the individual performance category was selected to go on to the final round of competition. He ultimately placed 4th in the nation!
- YEAR 5:** 13 ACS students were selected to go on to Washington D.C. and the national contest!  
1 of our young ladies in the individual performance category was selected to go on to the final round of competition. She ultimately placed 2<sup>nd</sup> in the nation!
