ACS Mission Statement:

“To serve the Lord by providing a Christ-centered, quality academic educational program.”

END OF THE YEAR

Thank you for a wonderful year. Thank you for allowing us to spend this year with each of your children and your family. We pray that you have a safe and fun summer. Remember that Friday is the last day of school, and we will have our awards assembly starting at 8:25. After the assembly, students will go back to their classrooms; however, parents will be allowed to pick them up from their classrooms as soon as teachers have had the opportunity to hand out any final items.

HAVE A VERY BLESSED SUMMER!

STARS - Shining Truths About Remarkable Students

Each week we will tell you wonderful talents that the Lord has blessed our children with.

- **Ryder M.** is a Childcare STAR. His teacher says, "Ryder starts his day by giving his teachers a hug before playing with his friends. He is always smiling and happy to be in class. He shares his blanket at move time. He is so lovable!" What a special young man!
- **Justin B.** is 1st Grade STAR. His teacher says, "Justin is a very energetic and loving student. He puts a lot of thought into all of his work." What an enjoyable young man!
- **Krisstin Y.A.** is a 3rd Grade STAR. Her teacher says, "Kritin is a smart girl. She enjoys playing with friends. She also enjoys Christian music. She is a good student. We are glad to have Kristin in class." What a blessing this young lady is!
- **Seth T.** is a 3rd grade STAR. His teacher says, "He is an enthusiastic student. He loves to be with friends. He is smart and enjoys Cub Scouts. His mile is contagious. We are thankful that Seth is in our class." What a wonderful young man!
- **Bryce W.** is a 3rd Grade STAR. His teacher says, "Bryce is a very good student. He learns quickly and can memorize and read things easily. He is a great athlete also. He plays football or soccer every recess as long as he can. I like the way Bryce owns up to his mistakes and seems to be honest with me. I expect great things from Bryce in the future." What a blessing this young man is!

MEDICATIONS

Please pick up any extra medications that you have stored at the front desk! Medications are expensive, and we cannot store them over the summer. Any medications that are still in the medicine cart on Tuesday, June 1st, will be disposed of, so please don't forget!

A NOTE FROM THE BUSINESS OFFICE

With the current school year drawing to a close, we wanted to remind all our families to make sure you do not have any outstanding charges still owed to the business office. These charges could include library charges, lunch charges, past due curriculum payments, past due tuition payments, unpaid sports fees or emergency daycare charges. In order to insure your child receives his/her end of the year report card, honor roll certificates and other paperwork, please make sure your financial account is up to date. Call the office at 872-0777 or e-mail info@albuquerquechristianschool.com if you have any questions. Thank you. ACS Business Office

SUMMER MATH TUTORING

Mr. Adams is offering a six-week summer middle-school math refresher course (this includes 5th graders going into 6th). We will meet on Tuesdays and Thursdays in June and part of July. This will help make sure your students are prepared for the upcoming school year. The cost will be \$10 a session. If you need more information or wish to sign your child up, talk to Mr. Adams or Mrs. Haley at the front desk.

NEXT YEAR'S CLASSROOMS

Many of you have inquired about who your child's teacher will be next year. Due to a change in numbers at certain levels and the number of new students being added, we have decided to send the rosters out over the summer. Thanks for your support and patience.

BACKGROUND CHECKS

Parents, with the end of the school year so close and LOTS of field trips and fun activities coming up for your

children, we want to remind you of our background check/proof of insurance policy. If you plan to drive any child other than your own on a field trip, you must have a background check and current proof of insurance on file with ACS. The fee for the background check is \$10. Mrs. Haley has the volunteer background check forms to fill out at the front desk. Please make sure BEFORE the day of a field trip that you are up to date on these safety precautions for our students.

ACS STICKERS

Student council is selling removable bumper stickers. They are available from any student council member or at the front desk for one dollar. You can place them anywhere on your car and remove them later.

SUMMER CHILDCARE REGISTRATION

Registration forms for summer childcare are now available. You may pick them up at the front desk or with the childcare staff. Registration is \$45.00 per child. We look forward to all of the fun activities planned for summer childcare!

LOST AND FOUND

Remember to check the lost and found before the end of the year. There are a lot of lightweight jackets to be claimed. All of the items will be placed on the tables in the gym this Friday, May 21st. Unclaimed items will be added to the uniform swap or donated to a worthy cause.

OPEN REGISTRATION

We are now open for public registration for the 2010/2011 school year. **Remember there is a \$100 rebate per family you introduce to the school if they are here the following school year. This rebate will be \$200 if they are in Pre-kindergarten or 3rd grade.** If you know anyone who is interested in attending ACS next year, have him or her call the school office to schedule a tour.
