

PTFC Newsletter

October 11, 2011

Volume 1 Issue 3

Come and join us as we work together to make our school the best that we can for our children.

Each time you attend a PTFC meeting, money is donated from the PTFC to your child's classroom. The donation is given as \$10 for the first parent attending and \$5 for the next two parents attending.

PTFC Meeting 10-11-11

- **Minutes -**
 - Read by Anthony
 - Mike tried to not approve them
- **Mike gave financials**
 - Mike printed 2 version, one from last year and one currently
 - Approved financials
- **Old Business**
 - **Tables for Gym**
 - Shaun bought 20 tables cheaper than the one we currently have

- Recycling
- Still going great
- **Mike still *might* fix roof on shed someday**
STILL
- Water Fountain double step for kids on playground
- Plus it needs a new fountain head
- **Next meeting November 8, 2011**

Events in the works:

Butter braids order forms and money were due in last Friday the 14th. Delivery will be Wednesday and Thursday of the first week of November.

Our next event is the Fall Fun Festival on October 28th. This is a time for families to come together in a safe environment where your children may leave with a bag full of candy and a smile from the fun activities. We are still hopeful of having activities for the teens this year.

Family night at Boston's
Come out and join us for a day of dining at Boston's. Tell your server that you are from ACS and 10% of your bill will be donated to the school. Bring your family and friends and enjoy a night out.

Please Remember:

Due to the number of children with allergies, please label baked goods for the cake walk.

Projects in the works:

- △ New tables for the gym are on the way. We were able to buy 20 new tables.
- △ New phone/intercom system
- △ Steps for outside fountains on the playground
- △ If there is any project or idea that you would like PTFC to fund, let us know so we can add it to our list.

Volunteers needed:

- △ We could still use your help in setting up for the Fall Fun Festival
- △ We do several events throughout the year and could use your help to chair or help with a committee
- △ Baskets are still needed – think what would you like to bid on?

A message from our president:

I am available anytime if you have concerns or ideas. The PTFC has a mail box outside Mr. Adams office that you can drop these in or my number is 360-643-3456. I look forward to meeting you all over the course of the school year.

Turner
