

PTFC Newsletter

September 13, 2011

Volume 1 Issue 2

Come and join us as we work together to make our school the best that we can for our children.

Each time you attend a PTFC meeting, money is donated from the PTFC to your child's classroom. The donation is given as \$10 for the first parent attending and \$5 for the next two parents attending.

Upcoming Events:

- △ September 22 – Open House
- △ October 11 – Next PTFC meeting
- △ October 28 – Fall Fun Festival
- △ November 18 – Thanksgiving Lunch

Albuquerque Christian School

PTFC Newsletter

A message from our president:

My name is Turner Reaves. I am looking forward to assisting ACS Teachers and Students in having a fun filled year. In addition to the projects that are listed in this newsletter, we also provide ACS with many fund raising projects and activities. I do not have enough space here to tell you about all the different activities we will be conducting this year, so please come to the meeting so you can get all of the information. I am available anytime if you have concerns or ideas. The PTFC has a mail box outside Mr. Adams office that you can drop these in or my number is 360-643-3456. I look forward to meeting you all over the course of the school year.

Turner

Events in the works:

We have two events in the works at the moment. First is our Butter braid sale. Sales flyers should be going home with students on Tuesday, September 20. We will need some help when they come in, so if you can help, let us know.

Our second event in the works is our Fall Fun Festival. This is a time for families to come together in a safe environment where your children may leave with a bag full of candy and a smile from the fun activities. This year, we hope to add activities for the teens as well. We will be collecting cakes, pies, and goodies for the cake walk.

Projects in the works:

- △ New tables for the gym
- △ LED Sign to promote the school
- △ A new phone and intercom system

Volunteers needed:

- △ Fall Fun Festival
 - We still need volunteers to chair committees
 - Are you just itching to decorate something?
Decorate ACS for FFF!
- △ Other events
 - We do several events throughout the year and could use your help to chair or help with a committee
- △ Room parents are also needed for each class

Fall Fun Festival Baskets:

We are always on the lookout for really neat stuff to go into the baskets. If you would like to put a basket together or know of someone or a company that has something to donate toward a basket, let us know.

Items from the past which have done well are: Lobo tickets, balloon rides, gift certificates to restaurants, and family fun baskets.

Use your imagination and be creative!
